SHORT FILM- HOSTILE

SCENE1- INT. TV STUDIO- DAY

The audience applaud as Daniel Evans introduces to his show.
He addresses the audience.

DANIEL

Hello folks and welcome back to a
murder a minute. Todays episode
follows on from the chain of local
murders that we've been talking about
for the past couple of months. Regular
viewers will be familiar with the
doorstep killer, whose been murdering
young women and leaving photos of the
bodies on the family members
doorsteps. How sick!

The host shakes his head in disgust

DANIEL

From what we have gathered, the victim
Becky Williams was followed from her
apartment in Barnet, where she was
brutally stabbed and choked to death
in an alleyway where her body was
later found. Now this would be
absolutely devastating for the poor
girls family to have to deal with and
as a matter of fact, we are joined
today by the victims sister, everybody
give it up for Kate.

Audience applaud as Kate walks on stage

Kate shakes the hosts hand

DANIEL

Now Kate, I understand how difficult
this must be for you, but could you
tell us a bit about your lovely
sister.

KATE

Becky was so kind to everyone, I don't
know why anyone would want to hurt her

Daniel offers Kate a box of tissues

KATE

She was such a bright and bubbly person, I hate to picture how scared she must have been. I hope the person that did this pays for it!

DANIEL

It's such a tragedy what happened to her and I'm sure that whoever did it will be brought to justice.

Flashbacks can be seen of Daniel murdering the girl

DANIEL

I honestly can't wrap my head around why anyone would harm a girl who has her whole life ahead of her?

More flashbacks of the murder occurring

KATE

Whoever did it is sick! That's why they did it. My sister was innocent and someone took her life and her future from her. I just hope that this will get the attention it deserves and someone out there can help get me closure.

DANIEL

Now Kate, thank you for coming on the show and if there's anything you need please don't hesitate to let me know. I wasn't to do anything I possibly can to make things easier for you and your family.

Final flashback of her being killed and the killer taking the photo of her body

DANIEL

Kate Williams everybody

Audience applauds

DANIEL

We're gonna cut to a quick break now but we'll be right back with a murder a minute

SCENE 2- INT- BATHROOM- DAY

Host goes to the bathroom during the break and talks to himself in the mirror while his reflection talks back.

DANIEL

I can't believe we're actually going to get away with murder again! This is classic, those idiots have no idea!

DANIELS REFLECTION

You're a genius!

DANIEL

I know, I know. I'm literally right under everyone's noses, how blind can they be?

DANIEL'S REFLECTION

Did you see the look on the sisters face? If only she knew she was shaking the hand of the man that slaughtered her sister! Oh, and the tissues were a nice touch by the way.

DANIEL

Well I thought the least that I could do was offer her a tissue

Daniel laughs and checks his watch

DANIEL

It's time to get back out there

DANIEL'S REFLECTION

You go give them the best performance of your life!

DANIEL

Trust me, I will

SCENE 3- INT- HALLWAY- DAY

Host leaves the bathroom and walks through the hallway while he fixes his hair and brushes down his clothes. He pulls a picture out of his pocket which the audience only see the back off, with the number 12 on it.

Host returns back to the show, sitting in his chair

DANIEL

Welcome back everyone. Now, we know all of the latest updates about the

doorstep killer's new victim, but the real question is, when will he strike again and who will be the next to receive a photo of their loved one to their doorstep?. I guess we'll find out next week if our not so friendly neighborhood killer decides to keep up his streak. I've been Daniel Evans, this has been a murder a minute, goodnight and stay safe.

SCENE 4- INT- TV STUDIO- DAY

Tv show shuts down, cameras go off. Host goes back and turns on the lights. Daniel reaches under his chair and pulls out a box of photos of his victims. He reaches in his pocket and pulls out the picture that was seen earlier with the number 12 on it, which is a picture of him. He adds this photo to the pile and puts a gun to his head. The screen the goes black.
