

What are the strength about my magazine?

The images all stand out because they are colourful, which is important when it comes to food because it can often look dull, so it is good that there are lots of colour in the photos

What are the weaknesses about my magazine?

It would have been nice to have a printed version so we could see the writing

What can I improve on?

Same applies

What are the strength about my magazine?

The taste testing is real strength about this product and getting  
a chef to your Magazine is a good part of the  
Magazine

What are the weaknesses about my magazine?

Moose make different types of food it's clear than that  
it's good

What can I improve on?
