Does the radio show reflect the Barnfield Radio remit?	ye it reflect the Barnfield Radio remit	There was none in this time.	yes because it's for teenagers
Does the radio show meet the needs of the Barnfield Radio target audience?	it meets the need because there are content the reflect the Barnfield radio target audience and there was informal talk	i think that there was a lot informal talk and they were ad lib and i think it lots of did meet it.	I think it deffo does
Have volumes levels been controlled well?	The volumes is alright but you nee to adjust it a bit and i only hear it in the left ear.	The volumes is really good but your voices is clear than the other presenter. It sounds echo.	I like how I can hear the volume
Have cross fades been applied well?	there are no cross fades yet but you should add them	There was no cross fade but adding it will have a soomth effect.	Yes when the advert cuts
Does the station and programme ident reflect the remit/tone/style of the show?	yes it reflects the remit and it reflects a drive time show	None in this time. i think that it should of been after the song	The timing of it

<u>Questions: please provide detailed responses</u>	Peer 1 Start time End time:	Peer 2 Start time End time:	Peer 3 Start time End time:
What do you think about the shows segments/content?	really interesting and you both talk smoothly to each other	I think they knew what they were saying and didn't stutter.	they vibed of each other when talking about their segments
What are the strengths of the show?	Idents and the content	I think that they had a lot to talk about.	Not much because the fade in & out really liked that
What are the shows areas for improvement?	fix up the volume	I think that other presenter should of went close to the mic because her voice is has echo	other presenter shout should explain the song better
